**Opera Bites' tailored performances** include famous opera arias, duets and ensembles in an engaging format that is **accessible** to the opera newcomer yet **fresh and alive** for the seasoned opera-goer.

## THE SHOW

The show is based on a **comedy of errors** where four opera singers each mistakenly believe they have been exclusively booked to entertain your guests.

- Your event is in full swing when an **elaborately costumed singer** appears and commences her performance
- She is cut short as a **second performer interrupts her**, claiming the event to be his
- While they argue, a **third performer arrives unexpectedly** and oblivious to the argument she begins to sing
- Finally, making the **grandest entrance** of all is a **fourth singer riding his 1950's scooter!**
- The four argue about who has actually been engaged for the gig - and in the process sing **some of the world's most recognised opera tunes ...**

All of which takes place in 20 action-packed minutes!
